PS: I wish to hereby express that I do not agree with my claim being dismissed, due to the fact that it is based on money that is owed based on a pay raise under laws that were enacted during the time that PRT was an agency of the government of P.R. As such, it was a government agency until 1999. Personally, when I started working at PRT in 1988, I had a recommendation from the mayor at that time, Mr. Wilo Morales, while a private agency does not request this recommendation.
